I have fond memories of the times I spent with Kelly at their home in Devore while my Dad (Bob Tull) was helping to make their home wheelchair accessible for her. My Dad always spoke very highly of him and really enjoyed the times that he spent with him at the race track. My Mom and I would like to offer our deepest condolences. Liz and Leeann Tull

Ed's biggest wins came in the "Impulse" Funny Car-winning the AHRA Winternationals in 1982, beating Gary Burgin, Tom McEwen, and Don Prudhome in the final round and also setting both ends of the track and event record. Although he never won the Fuel Altered Nationals in the "Mob" car - he did win 6 Fuel Altered Nationals in the Impulse AA/FA. He also toured Australia with me in '79 and '80. Whatever Ed chose to do in life-He did it 100% and he was excellent at it, whether it was driving a race car, building a driveshaft, flying his airplane, or even just drinking beer !!!!!!!!!!! He coined phrases like "Whipcream the tires" for tire smoke, and "Duckbutter and Cheesewhiz" for gasket sealer. The world will not be the same with him. John Lindsay
