My condolences to Marty's family, I am so sorry for your loss. Marty was such a special lady and a great friend to my mother, Sue Gilmore. Marty was a lot of fun to be around, always had a smile on her face. I love to hear my mom tell stories about herself and Marty and all the crazy times they had while hanging out at the Greenbriar. That place just won't be the same without Marty, her boisterous laugh will be missed. I'll think of her every time I see a Notre Dame game!

Dear Marty, I miss you every morning when I get stuck on the crossword and the jumble. You are the only friend I could call at 6AM and know you would be available to help me. I'll bring the crossword dictionaries for when we meet again. Love you.

The Good Lord has received a very special resident through the Pearly Gates recently and Notre Dame has lost it's #1 Fan! It is impossible to forget your infectious smile, laughter and your ability to "Light up a Room" and make everyone feel better, just by being there! You are sorely missed already! RIP, my dear Marty, you will never be forgotten, "Punkin".

RIP my dear friend. We lost an Angel, and God has gained a very special Angel. Thank you for giving me so many wonderful memories. I will miss our talks on the phone. You always made me feel better by the time we said goodbye. So long, my friend. You will be missed. Love, M.A. Prayers are with Marty's family, and the rest of the many people that were touched by this wonderful person.
