I have thought about your Momma so many times over the years and it just occurred to me to look in Obits. My Mom also passed in 2014. Your Momma was such a friendly, kind and down to earth, wonderful lady. I remember her great laugh, her big heart and always welcoming me when I came to see Judy. I think about those times so often when I am driving up Sterling, look over across the wash and see the house. I'm so sorry this tribute is so late and I hope you still get to see it. Judy..I have tried to get hold of you for so many years and even left messages with your Mom but I never heard from you :(I miss you my friend! If you have FB please find me and say Hi! Love, Lynda Ward

I miss you so much grandma. I wish my dad and me and my brother didn't have to find out through your obituary that you had passed. I know that you are always with me. I was closer to you than anybody could ever understand. I wish that you could've met my daughter. I love you a bushel and a peck and a hug around the neck.
