We lost a true gentleman when we lost Bob. I wil miss him, however, he is where he has been longing to be and that is with Jan. They were together in life and now they are together in the afterlife. God Bless them bothBarbara Sanchez

Please accept our heartfelt condolences for the loss of the Brown family patriarch. "Mister Bobby" will always be remembered by our family as a kind, sweet and loving father figure/friend. We gathered many times at Bob and Jan's home for 4th of July and felt honored to be included with family and friends. Fireworks will always make us think of Bob and Jan. Being an "old timer" he told us wonderful stories of his youth and of a gentler time. He will be missed, but our world was a better place for having known him. - Dave, Tina McCarty and family.

I was a good friend of Bob's. He was always a real gentleman. I knew him while he worked for me at the Carousel Mall. He could always be counted on as someone that you wanted to know. He and I were friends of Warner Hodgdon and we always enjoyed Bob's interest in automobile racing. On occasions we would have dinner together and some times when there was entertainment he could really sing beautifully. He made the world a better place for all of us. Bob Curci
