Robert R. King lit a candle in honor of William.

Bill: I have many happy memories of our years at RAF Chelveston in the '60's and after losing touch for many years, found you again. You and Mary and Bob DeCesare came all the way to Tomball, Texas several years ago to see us. We will never forget that. You served your country with honor as well as the San Bernardino Sheriff's Dept. Rest in peace dear friend. Our prayers and thoughts are with Mary and your family. Robert and Dianne King

1960 found two young airmen in England serving with the United States Air Force at Royal Air Force Base Chelveston. Just a couple of wide eyed 17 year old kids putting on the Air Force Blue to serve our country. In three years a brotherhood bond was formed that will last until eternity ends. I will miss you brother Bill and fellow Chief Master Sergeant and look forward to serving along side of you sometime in the future. The gates of heaven are securely entrusted to your care until I get there to relieve you. Rest easy buddy I have the watch and will never forget you.
