My sincere condolences to Tina, jimmy and Greg. I am so sorry for your loss. Ray and Joe were my closet cousins. We spent many wonderful times together as children. Every Christmas Eve our families would gather at their home in Alhambra. Since his mother, Anna and my Grandmother, Julie came from a very large family, there were always many people at these gatherings. I remember the food and the laughter and the gifts that each of us received. It is one of the most special memories that I have. There was always room for everyone. Those were simple times but full of love, laughter and the sense of belonging. Ray has always been all about family. A few weeks ago he sent me some old family photos that he thought I would like to have. I will cherish those photos and all the memories that we shared over the years. Julie Cevola Becker
