To Peggy and family - your parent's 73 years of joyful and blissful, faithful and God-Loving togetherness is a testimony of Love that continues to live and thrive in every breath of your family. You are blessed! Unfortunately, we will not be able to physically attend the services; however, we will be there in spirit and prayer. We will be out of town celebrating our 54th anniversary, still trying to catch up with your Mom and Dad's special 73 years-plus marriage. God willing, the rest of the family will continue as well! Richard, the not-so-lion-hearted elder and Grand Lady, Priscilla

So sorry for your loss.. It is everyone's loss who knew Pat. What a great man. An honor knowing him. He was one of a few pillars of the community and certainly of St. Anne's. My folks loved him, thought so highly of him and considered him one of their good friends...church buds! Looking back on my days at St. Anne's school, it was always comforting seeing the Sauer house across the street and knowing that I could go there if I needed help. Sending the family much love and warm thoughts.
