Judy, you have been in my life since I was knee high to a grasshopper- what ever that means:) Lake Isabella in the 70's .Good times. We have recently spent many a night at the American Legion eating tacos and talking shop. I remember you and Marty's 50th - I still have candles commemorating that event- and my dad Charley's 75th birthday. I'm so glad to have recently hugged you and told you I loved you. Sweet Dreams beautiful lady. Kellie Clark Whittaker
