Debbie was so full of life. One of my memories of Debbie is how lucky she was, she won many prizes at the Pinto Awards. Also I remembered Debbie love watching over the kids at the schools.

I am so sorry Anne, Anne, Bill, Corieann, and Sarah to hear of Debbie's passing. I have been trying for months to find out what happened. Debbie's cellphone was no longer in service. I tried to get a hold of Anne and that number also was no longer in service. I use to visit her often at Asistencia Villa. I tried to get information there and they would not tell me anything. I have been trying for 7 months to no avail. I wish I could have been able to go to her memorial service. If I had known I would have been there. I have known Debbie for 30 years. I met her in square dancing with the Highlanders Square Dance Club. Debbie use to babysit my kids. Throughout the years we enjoyed going to bingo and lunch together. I miss our phone calls to each other. I will miss you dearly my friend. Tammy
