Aunt Virginia was genuinely the nicest and most considerate person that I have ever known. After I became engaged to her nephew Robert, I was invited over for a Christmas celebration back in 1993. She made me feel so welcome and like part of the family immediately. She had taken the time to buy presents for me. One of them was a Christmas ornament of two swans with their necks bent to form a heart with the following words inscribed "our first Christmas together". This ornament is still to this day one of my most treasured possessions. I will miss her generous spirit. Deborah Wilson.

We are so very sorry for your loss of Virginia. We all had such a wonderful time with all of the wedding festivities for Phil and Megan, and so happy that she was able to join in, and that we were able to spend time with her. She was truly a beautiful woman and we will remember her always. Love, Jan and Craig Studwell and family

Your Mother will be missed by many. She was a amazing friend and when I married her brother she made me fell a part of the family and I so loved her for that. Knowing her has made my life richer. What memories I have of our camping trips with all the kids. Sending hugs to all of you. Aunt Carol
