Shirley, my dear friend, I will surely miss our weekly calls and our many meals at various places. We were both active in our American Business Women's Association, and both former presidents many years ago. We worked for the Ballistic Missile Office (BMO) and enjoyed our many chats. On this earth there is only a lease on life, but in Glory Land we will all be together.Sylvia (Jeanette) BoltonHighland, CA

I was so sorry to hear about Shirley passing away. We worked together at Ballistic Missile Organization for many years. Shirley, Jeanette Bolton and I went to Las Vegas several times, and had good times. All of us had belonged to ABWA and went to the many conventions. I will miss her, as will many others.
