I have been trying to contact Barbara since Christmas, when I always phone her, I knew something was wrong when I didnt receive a card, I am so sad to hear of her passing as she has been my friend forever and we used to go to work together at John Dickinsons in Tottenham London. I have always called her "Bunty" my nickname for her and she always called me "Big sis". I visited her and Red in 1979 when Steve and Mike were small and we loved talking about old times. I couldnt find an address for either Steve or Mike so that I could find out what has happened but after searching online for days I finally found, what I didnt want to find - her obituary. My heart goes out to her family and I hope she went peacefully. Elsie Phillips e.mail elsie82crockett@ outlook.com
