Absolutely Amazing.....95 years young, Mrs. Frisone has experienced a long life on this place we call Earth. I've know Dominick since 1956.....60 long years. We met at Golden Valley Jr. High, and became friends along with some others who still keep in touch to this day. I only met Mrs. Frisone 3 or 4 times, but I do remember her. What a beautiful picture you have shared with us. I have so much respect for Don and Nancy, who willingly gave up their home in Washington to care for his Mom in the family home on Del Rosa Avenue. All that happens is in "In Divine Order", and "Divine Time". Go With God.....Namaste'Sue Kelly, Redlands
