I will miss this man dearly. I will never forget all he taught me, he has surely contributed much to who I'am today. I remember many times he teaching me how important it was to gently stop at all stop signs and traffic lights, eventhough we always pecked at the windshield as he jerked that brake pedal, he'd respond to it by saying..."Well maybe not that way but you get the idea." I remember one time he unwrapped a mint during a service. I stared at him because it was the loudest noise ever yet he turned to me and put his finger up to his lips and goes...shhhhhh! He'd never leave without telling the importance of drinking water and keeping hydrated. You're a great man Uncle D and I'll miss you. You're finally meet my parents, the ones you would always tell me they did a good job. See you later dear friend. Ernie Culross Former Bobbitt co-worker

I first met Dick back in about 1969 when he worked at "Laura Scudders" Snack Foods. Dick as well as Al Preciedo worked there with me. Later Dick went to work at Webers Bread. Dick went to school with my parents at San Bernardino High School. Dick's son went to Junior High or High School with me. Dick always had a smile on his face and a story or joke to tell. I'm sure he'll be missed by many. Bless Dick and his family, Steve Portias, buffaloportias@aol.com, (909)-886-3822
