Aunt Doris and GregMary and I would like to send you our deepest condolences. May tomorrow be bright and everyday brighter for you. One of my memories of Uncle Luke referring to me as Son instead of Steve, example listen here son and let me tell you son. I thought that was quite unique. Steve and Mary Zorn

Aunt Doris and Greg Mary and I send our deepest condolences of the passing of uncle Luke. I will always remember how he always referred to someone as son example let me tell you son or come here son instead of calling them by their name. May tomorrow and the next day be a little brighter for the both of you. Steve and Mary Zorn
