C hristopher Lee Campbell

Christopher Lee “Larger Than Life” Campbell of San Bernardino, CA passed away on February 24th, 2018 in Lake Mead, NV. Chris was born on November 27th, 1965 in San Bernardino, CA to Bennie Campbell and Mary (Lucy) Christie. Chris graduated from Tehachapi High School in 1984. Chris had a love for animals that started at a young age. He was often referred to as the animal whisperer. His passion for animals included his beloved rottweilers (Brutus and Tank) and his lions, tigers and bears. Chris would go out of his way to help anyone in need to include any and all walks of life. Chris’ door was always open to all and you would be greeted with a big smile, a cold beer and a few shenanigans. Chris lived his life to the fullest and was always surrounded by family and friends. You only had to meet Chris one time to have an instant bond for life. He had a heart of gold and his love for his family and friends was like no other. He is survived by the love of his life Johnna Clasby; his son Matthew Pineda; his stepsons Gregory and Raymond Gammon; his granddaughter Leighton; his parents Bennie and Lisa Campbell and Jerry and Mary (Lucy) Christie; his sisters Kimberly Perez (husband Sonny) and Lori Anderson; his brother Danny Campbell and stepbrother Michael Stewart; his nieces Desiree Perez, Lacey Doty and Autumn Board; his nephews Ryan Campbell, Nathan Soto and Mathew Anderson; his great nieces Ryan, Blakely, Bristol and Savannah; his great nephews Luke, Ashton, William and Bennett; his numerous cousins who referred to him as “Crittter”; his numerous Aunts and Uncles and best friend (brother) Rodney Martinez. He was preceded in death by his nephew Ricky Anderson. Chris will be greatly missed by all.

Food will be provided and per Chris Campbell’s request "BYOB".

In lieu of flowers the family request donations.

The final day is here and this afternoon will be our last time with you. Thanks for making me feel like a young girl at our barbeques and parties. It helped to be open-minded when talking to you; but being a friend of my son, Rod, was enough for me. You had your soft side and many of us were lucky to see it. Pop a Coors! I don't know if they have them up there, if not, well, you're in for a long, dry summer. Give Tank and your others lots of love, you will never be alone. Love Always Bev.

Dearest Campbell Family , Johanna, and all that Knew Chris, I am a childhood friend of Chris and my Brother was a very close friend, they where little trouble makers back in the day and I will cherish the memories of the times we spent together, Chris had a heart of gold and was fun to be around. He loved life. He will be missed by many. I'm sure he is in the heavens above making the angels laugh and wrestling with the lions and tigers, and watching down upon you. My thoughts and prayers go out to all of you. Rest in Peace my dear friend Chris, Gone but Not forgotten. Until we met again

Im one of Chris and Dannys neighbors in Bullhead. The first time I met Chris he invited us over for a Bar B Q. We had plans so we didnt make it. The fourth or fifth time he was up here I had the Flu really bad. I came out to say Hi and said I fighting the Flu. About 2 hrs later theres a knock on our door. He had sent some of his very nice female friends over to drop off his famous carn asada with everything needed to make dinner. I thought that was very cool for him to think of us. Thats when I knew he had a big heart. He would even throw bones over the fence to my Dog. When he would come up my dog knew he was here wagging her tail waiting for him to toss a bone. I didnt know Chris to well but knowing him for a short time and to hear the out pour of kindness he had for people I knew he had a BIG HEART. Chris I will miss talking to you and laughing but most of all I will miss your caring and loving personallity. RIP Buddy you will be missed.....
