To the Maples family. Your father was such a good friend as well as our doctor for many years. Doc and Jody became close friends with our mom and dad, Mel and Dorothy Hart, until their passing as well. He always was generous with his time and friendship. Either golfing with my dad or even driving to San Diego when our father had heart surgery at the military hospital. He was there for my Mom when dad passed away and then again there for us when our mom passed away. He will be missed by all who knew him and called him friend. May he be with his beloved Jody now for all eternity. Love, Pat Hart Stevenson, and Sharon Hart Doak
