My family and Bobby's both moved to Highland in the summer of 1974. Bobby and I started 7th grade in the fall at St. Adelaide's Catholic School. We were recruited together to serve as alter boys and did so under the direction of Brother Michael Sullivan. After 8th grade we moved on to Aquinas High School with several of our friends. I have many memories that include Bobby, from our 8th grade alter boys' San Bernardino mountain trip to my short stay at the Coyne home while my home was tented for termites, to watching Bobby and other friends play Falcons football for Aquinas. Bobby comes from a family of faith. It is my prayer that faith carries his family and friends through this difficult time. Rick (Ricky) Dulock Aquinas Class of 1980
