It has always been a blessing to visit with Father John Ryan. He was a man who gave gifts of conversation, insight, understanding, and peace. Even if he was the one convalescing I would come away feeling like I was the one receiving comfort even though I came to offer it. When Sister Maura was also present it was a time of storytelling and reminiscing about Ireland and there was great fun in the telling. I could say what a loss it is to not have him anymore, but instead, I will say how fortunate we are that a man with his spirit and abilities has been among us. You will be remembered fondly and always. Cathleen FitzGerald

Msgr. John Ryan was a kind and gentle man who guided me through the loss of my father, my mother and two brothers. He was my spiritual mentor and beacon in times of sorrow as well as joy. Through out my years as a physician at Loma Linda University Medical Center we would meet monthly for lunch, usually with Sister Maura at Joe Greensleeves and enjoy lunch and discussions about life, faith and Notre Dame football. Msgr Ryan was a man who, as Thomas Merton so aptly put it "was able to see the value and beauty in ordinary things and to come alive to the splendor that is all around us in the creatures of God".
