**Jennifer Lopez** lit a candle in honor of James.

My sweet, kind, loving dad. I will always remember the patience you always have shown me. The love you poured out unconditionally to myself and my children. I will forever cherish our morning phone calls on my way to work. The songs you sang to me. You were always a strict but caring dad, Teaching both lessons and compassion at the same time. You no longer have to suffer. You can now walk the golden streets in heaven with your parents and other loved ones passed. Although it hurts to say goodbye. I have so much love in my heart for you that will never end. Fly with the angels dad. God be with you always.
