I was saddened to learn of Clydes passing. He was my friend and a friend to every Valley Prospector. I first met Clyde at the Iris festival several years ago and infected him with GOLD FEVER, something he had the rest of his life. My deepest sympathy to his wife, family and friends. In my heart I cherish his gentle smile and caring ways, he'll be with me for the rest of my life.##imported-begin##Dan Cornia##imported-end##

While miles have seperated us for many years, you never forget a good friend and Clyde was that. My deepest sympathy to Clydes family. We shared many good times during our high school years and Clyde's brother and parents were special also. It always hurts when you lose a friend.##imported-begin##Larry Van Grouw##imported-end##
