I met Doyle at his 80th birthday party. Since I have met Doyle I have married into the family, but his birthday party was the first time I met everyone in the family. WOW !was I nervouse--- Until I met Doyle!!! I had found a friend!!, and suddenly I felt okay. I remember so clearly sitting next to him and he was giving me the run down on everybody(all good things.)The way Doyle and I "clicked" was truely amazing. That has never happened to me in my life. Doyle is such a special man, and I hold him close to my heart. I only regret not spending more time with him and sharing special times. All my love, Debbie Cowart ##imported-begin##debra cowart(Shane Cowarts wife)##imported-end##
