I felt genuine joy, warmth and humility whenever I would meet Mr. Deichert at meetings, conferences, or even running into him in the stores around town. I made it a point to always talk to him at these encounters, and he always gave me an instant, sincere smile as we would find out how each of us was doing since we last met. He was a true symbol of the dignity in teaching, and I hold him in such high professional regard. Hopefully the emptiness of your loss will be partially filled with the knowledge that Mr. Deichert definitely made such a difference in so many lives here. ##imported-begin##Anthony Roberson##imported-end##

Your loss is truly our loss and my son forever will have Mr D in his heart. We know without a teacher like Mr. D kids like my son are lost in the schools. What an Angel he was. He is soaring above the rest because in our eyes he was the best. ##imported-begin##Mr. and Mrs. Martinez##imported-end##
