Dear Edith, Lisa & family, My heart was broken today as I learned that Larry (my 2nd Dad) has passed away. The guilt I am feeling for not staying in touch is overwhelming me. I would have been there for the service had I known of his passing. I hope he knew how special he was to me. He was such a dear friend of my Dad's & it comforts me that they're together again in heaven. I hope they're hamming it up!! love you all! I always loved my dad very much but over the years we grew farther and farther apart. I am just sorry this has happened and he will never know the love I had for him. I know at least one of the Graham Boys seem to want to take care of everybody and he did a good job Randy, You get an atta boy. I am glad my dad did not had to suffer like so many I have had to see suffer in these conditions. It is no good and it is not a life, no mater who thinks so. I wish the best for his family and I know they are very close and take very good care of each other. And I think that they forget to mention that DAD is a great grandfather also. I'll never forget when I was sick and was going to come to stay with you in Calif. for the summer but my appenceditics burst and I ended up in th hospital in Grant and you drove POPs out to see me. I was really happy!! You did a lot of good good for a lot of people. I love you dad Jeff & Gina##imported-begin##Jeff Graham##imported-end##
