Mary was dearly loved by the whole Vietoris family. She was a very good friend to my Mom, Lou, but she was very special to the rest of us as well. We have fond memories of her trip with us to Gordon, Wisconsin. No one could make Lou laugh more than Mary and it was such a delight to hear them talk and giggle about the old times. Mary was always genuine and told it straight. She loved life and was so optimistic that she set a great example for people. I will always cherish the last Christmas card I got from her. She talked about how important it was to keep a cheerful outlook. I loved her very much and will miss her. ##imported-begin##Laura Carmody##imported-end##

Aunt Mary was the best Aunt a nephew could ever have. She was supportive and honest. She shared her feelings and her past with me. She opened her house to me and my family whenever I could make it out to California. I have fond memories of the things we did together especially just the two of us going to a Dodger game or her telling me to hold on during my only earthquake experience. I am grateful for her organizing family get togethers while out there and getting to meet my cousins too. I know she is glad to be home with her beloved Bill now and can only say how much I appreciated my time with her and will dearly miss her. Love Brian##imported-begin##Brian Goddard##imported-end##
