How can it be that my best friend has been gone nearly 12 years. As your birthday approaches, I will celebrate the life you had. I will play our favorite songs and eat our favorite foods. I love you now and forever. Until we meet again Jeannie C.

Hi Mike...I can't believe you've been gone this long. I think of you every day and miss you all the time...I'm learning more and more just how special you were, because there's just no one else that is the kind of friend you were. I still can't believe I have to live the whole rest of my life without you. I have this big hole in my life that only you could fill. Thinking of you...Marie##imported-begin##Marie##imported-end##

Mike, I am so sorry that it has taken me this long to write. I am still in shock that you are gone. The house is so quiet, you can hear a pin drop. The boys cried when I told them that their uncle Mike was "nt coming home. Trying to ease their pain, I explained some of our conversations. So many times you told me that you were waiting for this day to come. How happy you would be to be with your mom and dad again. Knowing you are happy now is reason enough for us not to be selfish and sad. So with this in mind my brother, my friend till we meet again, we love you and miss you so much. My heart is heavy with the grief of losing my friend "Mikie" and I am grateful to have been blessed with 12 years of his presence in my life. I will carry many precious memories of our great times together. A friendship like ours only comes around once in a lifetime and I pray that someday we will meet again. My best friend is no longer just a phone call away and a piece of my heart is now missing. May God comfort all of us who loved Mike so much.##imported-begin##Tamara Ratter##imported-end##

What happened Mike? This doesn't seem real. We were just talking and making our usual jokes the day before all this happened. You were a one of a kind of guy. Your sense of humor was endless and I enjoyed that and your friendship for many years. Now the verbal is gone, but the memories remain.Believing you are now with your mom and dad as a family once again, brings some comfort, as I know how much you loved and missed them.I will miss you, Mike. Until we meet again.##imported-begin##Laurie##imported-end##

Michael,You're the only one I wanted to call when I saw something funny on T.V. or heard a good joke, and wanted someone to laugh about it with. You always "got it." It sure was nice to be able to spend 4th of July with you like we used to. You will be missed. ##imported-begin##Marie##imported-end##
