David and Kiki, I am very sad to hear of your mom's passing. I've never forgotten the happy times we spent at your mom's house listening to music, trying to play it and laughing it all away. I always felt accepted and welcome in her home. She was a wonderful lady and her passing is a great loss to all who knew her. ##imported-begin##Bob Espinosa##imported-end##

Dear Henrietta, Bob and Kathleen My thoughts and prayers are with you all. At this time I would also like to say Thank you for sharing such a wonderful Mom and Grandma. From the few moments of conversations with her I could not help notice her pride she had not only when she spoke of Kathleen but also the joy of her daughter and son in law . Whom I know she thought of as another son. "What the heart has once owned it shall never lose." ##imported-begin##Alma Garcia-Whittaker##imported-end##

David and Henrietta, John and I send our deepest condolences to both of you, we are sorry we cannot be there in person. However, know that you are in our thoughts and prayers. Aunt Maddie was very special to me and I will miss not being able to visit with her next time I make it out to the west coast. ##imported-begin##Mary O'Callaghan##imported-end##

David.. I am sorry to hear of your mother's passing. Maddie was a wonderful lady. I always enjoyed talking with her when she would come into Dr. Bankler's office. She loved you and your sister.. it was always obvious in the way she spoke about both of you. You and my brother Bob, were such good friends years ago.. I'm sure he has good memories of your mom too. I'm sure he would want me to convey his condolence as well. God Bless Maddie on her spiritual journey now... she'll never be forgotten.
