I received news Monday morning of Steve's passing. I was saddened and shocked. I just talked to him Friday afternoon and was schedule to meet with him again Monday and Thursday of this week. Steve was instrumental in our accounting program and we will miss him as well as his input and vast knowledge. My wife and I are both in shock. Steve was a great asset to our company and we have relied on him for close to ten years. He has been there for us through these difficult times. We will deeply miss Steve and our meetings with him. We viewed Steve as more than just a business consultant, he was our friend. We offer our deepest condolences to the family and everyone at the SMA group.##imported-begin##Todd Sweaney##imported-end##

Dear Sheri and family,We are so very sorry for your loss. We met you when you first came to town, and I can still picture Steve, with his typical warm, loving smile, holding baby Daniele. We hope that the memories of all of the happy times you have shared will help sustain you over the days ahead. Please know that you are in our thoughts and prayers.##imported-begin##Robert and Roberta Klein##imported-end##
