I flew with Mike 1981-1984 in the 14th...then I headed to the 445MAW when I had orders for Altus. My memories of Mike and Bobby Day and the guys were all good...especially being the first female FE in the squadron. The Lord has a special place for Michael...sitting to the right and facing sideways! I am sorry for your loss!##imported-begin##Jacki Caron Mortenson##imported-end##

My sincerely heartfelt condolences to you and your family for your great loss. I remember Mike as a good and just man and enjoyed working with him when we were stationed together at Norton AFB. I was a loadmaster in the 14th MAS and I had an additional duty working in the APR/OER office. I knew Mike from 1980 - 1987 and I always enjoyed flying with him and working with him at the squadron office. Peace and be with you.##imported-begin##Bret Knight##imported-end##
