Dear Tony, Just today, 4/5/10, I heard the terrible news from my sister that you lost Tom in a tragic housefire. I wish I had known so I could have attended his service. This unimaginable news is devastating to me. Just yesterday I asked my mom if she ever went to the Mug to eat and if she had seen you or Tom. Please know that Tom was a wonderful man and was always very special to me. My heart and soul go out to you and your family during this very sad time....Linda Rowe Schoenfeld##imported-begin##Linda Rowe Schoenfeld##imported-end##

I just remember you in your red corvette - a good looking cocky guy but I always knew you had a good heart. My best friend Iva was in love with you, probably still is and this is over 20 years ago. I just found out about your death, I am so sorry for your family's loss. Rest in peace Tommy.##imported-begin##brigid krahl##imported-end##
