I'm so sorry for your loss. I know Michael must have been a great son and brother, but I want you to know he was a GREAT friend as well. He touched so many lives, including my sisters. There were tough times that my sister brought to our family and I remember that Michael was right there to help. I will remember his great smile. His smile could light up the whole room. Your family is in my thoughts and prayers.##imported-begin##Jennifer Unruh##imported-end##

I want to once again send my condolences to the Dealney family. Your son was a GREAT friend! He always thought about everyone else, and would go out of his way to make them happy or even just smile or laugh. I'll always remember his smile :) It was so contagious...no matter how you felt whether it be happy, sad, mad, confused, etc...Michael would come around and flash that perfect smile...and you couldn't help but smile back! That's what I loved about him. Always there when you needed him. I don't have ANY bad memories with Michael. Ever since the moment we first met in Elementary school, Michael has been a good friend to not only me, but everyone around him. I am going to miss him terribly! I am glad I have many wonderful memories about him to keep him alive in my heart. I'll miss you Mike....see you one day in Heaven. Mike, Janice, and Lisa: It was nice to meet you all on Friday. You will all continue to be in my thoughts and prayers, and I hope to stay in touch. If you need anything please don't hesitate to ask. ##imported-begin##Christina Robson##imported-end##
