The second grade was when the friendship between your loved one Ray and I began. We actually were closer as adults and were together often golfing and having our few final-finals at our favorite bars. His death was a blow to me, my wife Pam, and our girls and grandchildren. He will truly be missed by my family.Denny##imported-begin##Dennis & Pam Espinosa and family##imported-end##

Ray was one my most favorite people and he will be greatly missed. He was so fortunate to be able to pass without pain or sorrow, just an unanswered goodbye after a day of doing what he loved most. I will not mourn his passing but will celebrate his life and drink a toast to the funniest man in San Bernardino.##imported-begin##Teri Sather-Roth##imported-end##
