Dad, its almost been three years since you left us and I miss you so much. I miss taking you to Walmart and you riding the electric cart, running into end-caps and almost running people down, it was hilarious. I hope you and Mom are together again as you should be. Love youDebbie

I miss seeing your face light up when I walk into the den. I miss you complaining that I didn't buy the correct toilet paper. I miss sharing Lindor Truffles and Oreo cookies with you. I miss the 2 am phone calls with you thinking it was 2 pm. I miss all the messages that you would leave on my answering machine everyday telling me to call you back. I miss hearing you say, "This is your Papa," as if I didn't already know. I miss you, Papa!##imported-begin##Teri Weatherholtz##imported-end##
