Karolyn Hoffman Yarnell, (85) was born in South Pasadena in 1926 and passed away at her home in Highland on January 18, 2012. So sorry to hear about her passing. Karolyn worked for my childhood pediatrician, Dr. Wilson. I am reasonably sure I didn't like her because she gave me all my shots but she was always nice and smiling. I could never forget her face. Thinking of you and your family.##imported-begin##Susan##imported-end##

I have personally known karolyn for probably at least 25 years. Back when she and Don lived on Villa and then to the mobile home. I had the utmost respect for both of them and I always used them as a reference to younger generations as a wealth of knowledge to history in our little town. I always say, listen to the elders, they'll tell you history better than the books will. She was also my customer up to near. I will miss her deeply. My condolences to your family. ##imported-begin##Paul Mac's Aire Service##imported-end##
