Swedlove Family, Bill and I are so sorry for the loss of your patriarch. Bill remembers him from his days at the parts store and from hanging out with David. I have heard Davids funny stories about his father over the years. May you find some peace in knowing that he was a good man and had lived a long life. ##imported-begin##William & Claire Rice##imported-end##

We love all you guys so very much and Hershel was such a wonderful person. We have so many fond memories of time spent with Hershel and we loved hearing his stories and especially his funny jokes. Our time with him, the Fontana Exchange Club and countless community events will be cherished forever. We pray that God fills you with his love and continues to shower his many blessings upon every family member. Our life is better because Hershel and your entire family was in it. Fontana also is certainly a better place because of Hershel and the Swedlove Family. We will always love you. Ed and Amber Tiedgen

Just to let you folks know we are thinking about your and your loss. Hersh was a great guy always kind and helpful. He seemed to always have a smile on his face and a story to tell Now mind you his jokes were not always the best, but we all got a laugh from the story teller if not the story! He will be missed!

Mr. Swedlove and his sons have always been a part of Fontana's heritage. Morris Auto Supply is the best place in town to buy auto parts. The staff is always helpful and friendly. I remember going there with my father when I was a little girl. A nice memory. My heart goes out to the Morris family.

On my bad days when I just wanted to cry, you seemed to always show up, with that grin of yours. Then the hug the kiss and the joke. I will Truly miss you. May you watch over each and every one of us. And when I have a bad day again, I will think of you and smile. And my day will be better. Thank You.. God Bless...

Hershel was one my first business contacts I encountered when my family moved me to Fontana in 1956. Hershel was very helpful and very knowledgable about my truck repair project. I was very impressed at how much care he took with a young lad who needed help and advice. Over the years, Hershel was always genuinely friendly and helpful. I still visit Morris Auto Supplies when I need parts. I will miss Hershel. ##imported-begin##Bob Brandt##imported-end##
