My condolences to all of John's family. John was my best friend when we were kids living on Golondrina Dr. A day doesn't go by without me thinking about the great times we had together. John was always there to pick me up, and make me laugh. From playing football in the street to riding around town in his Impalla, John's imagination and sense of humor always kept us on our toes. John, thank you for making my childhood worth remembering you will always be on my mind and in my heart. You were and always will be my Best Friend!!##imported-begin##Jimmy Smith##imported-end##
