To the Randazzo family:Your wife and mother was a fine woman, but you already know that...what you may not know is what a great employee and coworker she was. Alva was always willing to help, always had a smile, and she always stated what she thought...I admired that about her. She had spunk. She spoke up when no one else had the courage. God Bless all of you. I will miss her greatly.###imported-begin##Pat Cronin##imported-end##
