To the Summerfield family, We will truly miss Ken. He was not just a great ET but a great person. His skills with electronics and troubleshooting were those of a gifted person. His wit and knowledge of sports were without peer. We'll miss his humor and laugh and will look back fondly at all the memories we had with him. Thank you for the time we got to spend with him. Our thoughts and prayers are with you. Andre, Jimmy, Laurie and the San Bernardino maintenance family
