My memories of Imelda are all wonderful and happy, I was blessed to have her as a friend and sister-in-law. I thought of her as my sister. When I think of her or speak her name I feel love as I visualize her lovely face and radiant smile, She always ran towards me with her arms outstretched to give a big bearhug and a "I love you", She had a way of making you feel very special, She was a great hostess and wonderful cook. You never went away from her home hungry. I wish we could have spent more time together. She raised a beautiful family. They are all filled with her love, kindness and generosity. I have never heard an unkind word said by any of the family. They are an example of what all families should be like. She left us all too soon. I and many will miss her very much. Imelda was a wonderful wife and mother. "Goodbye" sweet lady. I love you. Patricia Korzep My love and heartfelt condolences to my niece and nephews and their families.
