Carol will be greatly missed by all who knew her. Her outgoing, warm personality and welcoming smile was so attractive to her friends and family. Her love for Jesus was shown in the way she treated people and lived her life. I loved reading her Christmas cards and facebook comments because they were positive and encouraging and always expressed her love for her family and faith in God. She was a beautiful person both inside and out. Our thoughts and prayers go out to her family.Brandon and Linda O'Brien

I am so sad to know Carol is no longer with us in person , but her spirit will live on in all of us. She was my 5th cousin, and we always had such special times together. She was a loving, caring, giving unselfish person who loved the Lord. I wrote her a note on Facebook August 1 to see how she was doing. I hadn't heard back and just checked a few days ago and found the shocking news that she had died the 2 days before my note. I had put a photo of her and me together. My sister in NE died after not recuperating from back surgery, and I was back in NE with our relatives for her funeral. Bless you all. I know she loved all of her family dearly.

Mrs. Curtis gave me my first job in real estate almost 35 years ago. I grew up at Immanuel baptist church with her wonderful daughters, and Shellie was a dear friend through my high school years, Her words of wisdom professionally, and personally shaped the amazing life that I have today. 🙏

Carol made us feel like family from day one! She always included us when sharing family photos with Hunter, she visited every chance she could, she sent the sweetest notes and goodies. She put 100% effort into her loved ones and was one of the sweetest people I have ever known. I loved her and her generous heart. I will be forever grateful for the family she gave me. And her smile will shine forever in my memories ❤️
