My Condolences to the Alonzo Family, My name is Thomas G. Alva, a long-time friend of Alex Alonzo of 56 years. I worked with Alex from the age of 10 years old and up until I turned 18 years of age. I'm sure you're wondering, how can this be? Let me begin by saying my grandpa was Jesus Alva, a long-time friend and business partner of a Landscape business they started together. I went to visit Alex on June 4, 2022, at his home, but there was no answer. I went back to his home on July 9, 2022, to try to see him again, no answer. Something did not feel right, so I looked on the internet, and there I saw his name on a memorial that he had passed weeks before. I went to Las Cuatro Milpas immediately to see Jose' Munoz (another great friend to Alex and the Alva Family) and ask him if this was true. Jose' told me, yes, Tommy, it's true. If possible, I would like to meet the Alonzo Family to share my stories of Alex being a great friend to the Alva Family. I have so many good stories of him. Please get in touch with me at email; talva@barstowca.org I lost a great friend and a mentor. "The Best Landscaper to the Community of San Bernardino." I will miss my friend, please rest in peace.
