When I was growing up he was my hero. When in San Bernardino visiting I would not leave his side nor would I allow anyone else to come between us My mom even said I would get between him and his first wife Sue. He was fascinating and so fun to be with. He actually spoiled me rotten. We were 11 years difference in age and to me he was my big brother. As I grew older his wisdom was always a great help in life. I will miss you and I will love you always. My Uncle "D".Gods speed..
