With a heavy heart. One week from today. I lost the most beautiful person in my life, my mother, Regina. Your life was a blessing! I know that you will always be with me! I love you!

Mrs. Cassidy was an amazing women! She was always sweet loving and wouldn't take anything from anyone. She was small but mighty. She taught me to be the best version of myself. She loved my daughter unconditionally and left this world accomplishing amazing things. My love for her never faulted and I will miss her greatly. Her love for her family was real, honest and pure. There is an emptiness in my heart for her but I know she is singing some great karaoke songs in heaven! I will always love you....Respectfully. Sandra Cassidy

Every time I would see Regina "Mama" she always had a smile and gave me a hug. Loved chatting with her and will miss her dearly.
