Sandy, it is with a heavy heart that I let you go, but realize you are in a beautiful place with no suffering and pain, you were truly my Sister! "A message from Heaven" A gentle reminder that we're never far apart. My spirit will live on forever, there within your heart. And when you see a Butterfly, here to brighten your day, Remember that I'm there with you, and there I'll always stay! Love, Linda Windegger
