Darlene Ann McFadden

SEP 18, 1944 - FEB 1, 2026

Darlene McFadden, 81, of Highland, California, was called home to her Heavenly Father on February 1, 2026. She passed peacefully in her sleep after a long battle with various illnesses. Darlene was born September 18, 1944, to Ardeth and Donald Benedict, in San Bernardino, California. She worked as a secretary for the County of San Bernardino for over thirty years until her retirement in 2008.

Darlene was preceded in death by her parents, her loving husbands George Huckabaa with whom she shared 3 children, her second husband Daniel Propp, her first and then final love Jimmie McFadden, and her daughter Stacey Huckabaa White.

She is survived by her sister, Sharon Stotelmyre, sons Chad Huckabaa and his wife Mary Huckabaa, Morgan Huckabaa, son-in-law Harold White, her grandchildren and great grandchildren too numerous to list. Over her lifespan she had many family and friends who's lives she touched in such a positive and loving way.

Darlene was an artist with many talents. Her many mediums included gourds from which she crafted everything imaginable from small jewelry, to purses and even musical instruments. She had the voice of an angel as she sang in the Immanuel Baptist Church Choir for many years. Her love of animals was a passion she carried all her life, always having a few pets around, including birds, cats, dogs, a pot belly pig, and anything living she could care for. She loved to sing and dance, to travel and to spend time with her family and friends. Darlene is gone from this earth, but her legacy will live on and she will not be forgotten.

A memorial service will be held at Immanuel Baptist Church, 28355 Baseline St., Highland, CA on Saturday, February 28, 2026 at 11:00 a.m.

My fondest memories of my mama was all of them. I could write a book of all the things that she did good for me and for my family and for people. I miss my mama and I always will. I love you, Mama your loving son Morgan. I love you mom you are the greatest thing along with your son that ever happened to me. I'll never forget you. You impacted my life in a way that matters and I thank you for that and the time I did have with you and I miss going to the movies with you and I do a lot of artwork now because of some of the things you taught me I'm glad that you didn't suffer and I can't wait till we see you again. We love you. Michelle Huckabaa

Darlene was the best mother-in-law a girl could ask for. From the very first day I met her, and every day after, she has been warm, friendly, accepting, and with an open heart. She welcomed me into the family not just acceptingly but excitedly. When we took her to dinner and told her of our engagement she literally squealed with glee! Over the past 30 years, she has been my mother, my confidant, and my friend. As a perfect mother in law, she has been there for me and our children, her grandkids, in all matters. I've so enjoyed being a part of her family and will now carry on some of her traditions. My fondest memory is the cruise we took to Alaska together with Darlene, her son Chad, me and our daughter Jasmine. To spend such precious time with loved ones was a blessing. Darlene's spirit is with us all. We will miss you, Mom.
