“ Wes,

Our deepest sympathies to you, Susie and the boys during this difficult time. Words can't assuage all the sadness one feels after the loss of a parent. Being together with family and reminiscing about past memories provides comfort. So too, does the thought that your parents are both together, at peace. Cindy and I wish you peace as well, our thoughts and prayers are with you.

Chris and Cindy Condon.

“ Wes -

I am sorry to hear of your mom's passing.

There is a beautiful picture showing an elderly woman 'knocking on heaven's door' with the next picture showing that same woman, now young, with her arms outstretched to a waiting Christ. This has given me comfort since the passing of my own mother (May 30th, 2014).

My hope is that this also gives you and your family comfort during this challenging time since your mother has passed into what can be called the 'next existence.'
