

Mr Dale G. Rearick

November 4, 1948 - August 17, 2017

Dale G. Rearick, 68, passed away peacefully on August 17, 2017. He was born in San Bernardino to George and Alice Rearick, the youngest of seven children. He graduated from San Bernardino High School and a year later he was drafted in the United States Marines and served two years during the Vietnam Conflict. Upon his return from the Marines, Dale worked hard at various jobs until his working life was cut short from an accident. He was a lifetime member of the VFW and the American Legion. He was easy going and a simple man at heart.

He was preceded in death by his wife Sandra who passed in 1979 and his brother Bob Rearick.

He is survived by his children Traci (Eddie) Holmes of Fayetteville, AR and Brian (Christine) Rearick of Springdale, AR. Also surviving him is his sister Janice Boyles of San Bernardino, CA, his brothers Don (Kathy) Rearick, of San Diego and Conrad (Barbara) Morrell of San Bernardino, along with his six grandchildren, six great grandchildren, his nephews Doug (Denise) Owens of Yucaipa, Chris (Dawn) Jackson of San Bernardino and his nieces Laura Ward San Bernardino and Alison (Russell Shields) Ward of Las Vegas. Along with many other extended family and friends.

In lieu of flowers, the family has asked that donations be made in Dale's memory to American Legion, Post 777.

“ I will never forget Uncle Dale, and his great sense of humor. One of my best memories was when we went to pick up the 50 Chevy from Uncle Conrad. We had to push it from the backyard into the front so we could tow it home. Uncle Dale got to "drive" it while we pushed. He was laughing and joking the whole time

“ I remember when you used to come into the VFW every day when I worked there, many years ago. Seeing you every day I got to understand you! You were happy and smiling all the time! Then we both went away for awhile and when I saw you again I had a hard time understanding you again, but it didn't matter!! I will miss your smiling face and wonderful sense of humor
