Obituary for Daniel Walter Williams

Daniel Walter Williams was born on May 14, 1960 to Chad and Virginia (Ginger) Williams in San Bernardino, CA. Daniel entered into eternal rest on September 22, 2021 in Palm Springs, CA.

He is survived by his loving fiancé, Dianna Lee Moran, of Arrowbear, CA, his beloved children, Criston and Jason Moreno of Fontana, CA, Candice Williams, Chad Williams and Jessica Del Rosario of Colton, CA, his treasured grandchildren, Alayna, Emma, and Joseph Moreno, Jude Lopez, and Dean and Brody Williams, his best friend and brother, Victor Williams, sister-in-law, Sue Williams, and nieces, Moriah and Marissa, and nephew, Matthew Williams of Crestline, CA. Daniel is preceded in death by his parents, Chad and Ginger Williams.

A true outdoorsman, Danny loved hunting, camping, fishing, and dirt bike riding throughout his life, and more recently was introduced to biking and kayaking. What he enjoyed the most was playing a round of golf whenever he had a day off. Danny was a handyman who could fix almost anything in a house or vehicle. He was the kind of man who found joy in brightening someone's day, whether it be with a joke or kind gesture, and would take the opportunity to do so whenever he had the chance.

Danny was a hardworking man who made his living in construction as an iron worker, and later in life as a truck driver. However, he found his true calling as a drug and alcohol counselor where his life experiences and wisdom inspired countless people to claim victory over their battle with addiction. The impact that his testimony made on the lives of the many people he counseled, befriended, and sponsored will always be a part of his legacy.

He was immeasurably proud of his family, and loved to spend time with them, and was looking forward to beginning a new chapter in his life with Diana Lee as his bride. Sadly,

God had a different plan for Danny and he will be deeply missed by family and friends.

A Chapel Service will be held on Friday, October 15 at 11:00 am at Bobbitt Memorial Chapel in San Bernardino and a Celebration of life reception will immediately follow.

Comments

“ Memories of my cousin Danny are many, starting as a young child, combing his reddish hair after his bath, silliness, baseball games, camping and riding motorcycles in the desert, camping trips to the beach, May birthday parties at the park in Redlands, turbulent teenage years, always returning to family love. Danny's dedication to his parents, Uncle Chad & NoNo. Danny, you will always have a special place in my heart, listening for your giggle and looking for the twinkle in your eyes and the hugs that I will miss.
So many memories in a heartbeat of life.
Rest well - Kiki

“ Vic, Sue, Matt, Moriah & Marissa
Our most heartfelt condolences on the recent loss of Danny. Even though we had only met DANNY a couple of times, I felt the love and admiration when listening to his family talk about him over the years. As his obituary stated, God had other plans for Danny. Dianne Lee, I'm sorry your plans were cut short, but God is not to be questioned. Hold onto your memories and Danny will always remain in your life. Vic, I'm so sorry for your loss, but know he is in a better place now. Love to you all,
Stan, Sharon, Jenny, Jason & Cindy
