

## Mr Frederick Lloyd Plimley, Jr.

April 24, 1932 - June 20, 2016

Frederick L. Plimley, Jr. passed away at home Monday morning June 20, 2016. Frederick L. Plimley, Jr. has been a long-time resident of San Bernardino County for over 70 years and was a Teacher/Educator with San Bernardino Unified School District for 44 years. Frederick L. Plimley, Jr. was an award-winning teacher and for most of his career, he was the Math Department Chairman at San Geronimo High School and taught advanced mathematics classes there. Frederick L. Plimley, Jr. especially enjoyed square dancing and folk dancing with his wife of 57 years Vivienne Marie Plimley, who passed away March 30, 2015. He enjoyed being highly involved in school activities and student events, was an amateur extra radio operator KR6BO and hosted morning ham net on Southern California JPL repeater for many years, enjoyed playing the organ and piano, and visiting with his grandchildren. Frederick L. Plimley Jr. is survived by his sons Frederick Gerald Plimley and Ronald Edward Plimley and his grandchildren Daniel Benjamin Plimley and Sadia Vivienne Plimley. Frederick was also a life member of San Bernardino Masonic Lodge #178.

A Luncheon will immediately follow the chapel service – all are welcome.

“ Oh, Mr. Plimley, I remember you with fond memories. I'm sorry to hear that you passed, but will always have a high regard for you. I remember you have a son named Ron Plimley. I was class of 1979, and remember how very much supportive you were with the school student body. Rest in peace, sir. Math lives on, and that's with great thanks to you. -Dale Perez

“ Hi Dale,  
Thank you for sharing that. Ron

“ Mr. Plimley taught an Algebra 2 class at San Gorgonio in the 1968-69 school year. I don't believe he had much success in teaching me algebra (my fault, not his), but I did meet the beautiful Alane Sauer in that class, and we have been married for 44 years! Mr. Plimley was an outstanding teacher who clearly cared deeply about his profession. We still talk about him to this day with fond memories! Our sympathies to his family. Brian and Alane Reider

“ Mr. Plimley was my math teacher from 1970-1971. He taught me trigonometry and calculus. I never had a math teacher like him. He was funny and drew pictures of what he was teaching and made me love math to this day. There will never be another man like him. My condolences go to his family and friends. Sincerely, Joanne Varino

“ Mr. Plimley was the best math teacher I ever had. I was his student at Eisenhower High School. He helped me do much better at math than I ever thought I could. He drew the best Geometry figures on the board using chalk and string. I still remember his difficult thought problems! He was fair, patient and an excellent teacher. I appreciate him to this day. Thank you for teaching me, Mr. Plimley. Linda Bunting Smith EHS '62

“ Mr. Plimley was my math teacher at Eisenhower HS in Rialto from 1960-1962. He was one of the best teachers I had and I remember his patience in teaching us. He was always so steady, thoughtful, and caring in relating to us. I really appreciated him!

“ Mr. Plimley was my Geometry teacher, my senior year at Eisenhower HS Rialto, 1959-60. I recall him as being a fair teacher, a fine man and one of the few teachers I actually remember after all these years. My sincere condolences to his family and friends. Larry Whiteley

“ Mr. Plimley was my math teacher for several math classes at Eisenhower High School (I graduated in 1964). In addition, he was the Faculty Advisor for the Math Club when I was President of the club in 1963-64. I worked as an attorney for Southern California Edison and in the 1980s I saw his name in a company article about scholarships. I wrote him a letter to let him know I still remembered him and that I appreciated his teaching me. To this day I use the math skills he taught me to help my grandsons with their math. He was by far my favorite high school teacher and a great man. RIP. Bill Dobberpuhl
