

George Mark Boldi

June 4, 1954 - September 4, 2015

George Mark Boldi was born on June 4, 1954 in Montgomery Alabama to George and Caroline Gene Boldi. He passed away on September 4, 2015 in San Bernardino, California

Mark was the first child of George and Caroline Gene. As an Air Force brat, he lived with his family at posts in Germany, Nebraska, and California and also served in the Air Force. While posted in Germany, Mark explored Europe on his motorcycle or hitch-hiking and regaled us with stories of his adventures.

After his stint in the Air Force was over, Mark started working as a CNC machinist and soon found his niche in the new field of CAD/CAM programming, in which he excelled.

He married Kathleen McCalla in 1981 and their beloved sons were born in 1985 and 1988. Mark delighted in his sons and was proud of the men they have become and supportive of their aspirations; Sam in music and Daniel in engineering.

After living in southern California for many years, Mark moved to Ensenada, Mexico, until failing health caused the end of his career and a return to the U.S.

Mark was preceded in death by his father George Boldi and sister Jacqueline Gene and survived by mother Caroline Gene, brother John Michael, Sons George Samuel and James Daniel, former wife Kathleen McCalla, and numerous relatives and friends. We will all miss him.

A committal service will be held at Riverside National Cemetery on Thursday September 17, 2015 at 11 a.m.

Comments

“ I went to high school with Mark. He taught me how to play chess and amazed me with his brain. He will be missed.

“ When I think of Mark, I remember his razor-sharp wit and his keen insight. Anyone who had his friendship understood what a privilege it was. Although we had lost contact with him over the years, we always held our friendship with him in our hearts.

We are sad to hear of Mark's passing. We offer our heartfelt condolences to his family and friends.

“ Mark was a very dear friend of my son, Bill Brons, in Greenville, SC. His apartment near us made it very convenient for him to stop by. My husband and I thought he had the most remarkable timing for dropping by at meal time. It didn't matter what time we were eating that day. I do remember seeing the kitchen of his apartment when he was working on his motorcycle. What a greasy mess the floor was! A very lovely young man.

“ Mark was my friend before he married my sister. My husband and I used to have him over where he regaled us with funny stories and interesting conversation. After he married Kathleen, the four of us went camping and made various other trips, like seeing a Civil War Reenactment at Fort Tejon. He was very kind to me when my first husband and I split up, and was there for my second marriage, befriending his sons' new uncle. Mark left us too soon.

“ Ma'am, I first would like to send my condolences in your loss. My name is George J. Boldi, after doing some family history research, I believe Mark was the son of George J. Boldi, who in turn was Brother to John Boldi, my great grandfather. If this is so, please contact me via Facebook, George Boldi, and a picture of a soldier sitting in the gun seat of a hummer is my page. If I am wrong, I would still like to send my condolences, and deepest sympathies in your loss. Thank you for your time.
